San Joaquin Delta College - Scholarship Application 2007-2008

Diesel/Heavy Equipment Students

HOW TO APPLY...

Scholarship applications, statements and recommendations must be submitted by the filing deadline of the sixth Friday after the semester starts to the San Joaquin Delta College Applied Science and Technology Division Office located in Holt 140.

- Fall 2007 Deadline is Friday, September 28, 2007 at 5:00 pm
- Spring 2008 Deadline is Friday, February 23, 2008 at 5:00 pm

Students must complete the enclosed San Joaquin Delta College scholarship application to be considered for scholarships awarded through the Applied Science and Technology Division office. The Diesel/Heavy Equipment student scholarships require enrollment of 8 units or more of study in the Diesel, Heavy Equipment or Fluid Power Technology programs offered by the Applied Science and Technology Division.

The following documents are required:

- **Scholarship Application.** Fill out the application form as accurately as possible. Your responses are one of the main sources of information that determines your eligibility.
- **Two Recommendation Forms.** Please have the two enclosed recommendation forms completed by Vocational Education instructors, counselors or other instructors who know your academic and/or technical work.
- **Autobiographical Essay Form.** Using the Autobiographical Essay Form or similar attachment, please write a detailed statement listing your abilities, achievements, activities, etc's; that best qualifies you for scholarships; and explain your goals for your education and occupation. What are your future career plans?

Should you choose to submit your essay on a separate document, please sign the Autobiographical Essay Form and include it with your application.

- **Activities, Special Recognition, Community Service Information Form.** Use this form to list all activities, special recognition, awards, and community service involvement that you have had.
- **Verification of Community Service Form (optional).** Use this form to list community service worked performed.
- **High School GPA Verification or Students With No Prior College Units Completed Form.** Use this form if no prior college units are completed. High School seniors must submit official transcripts.

Scholarship Selection Process

The Diesel/Heavy Equipment scholarship applications are reviewed and evaluated by a Scholarship Committee comprised of the donors, Advisory Board representative and one or more San Joaquin Delta College representative.

Although applying for scholarships does not guarantee selection, all applications will be reviewed based on the required criteria. In addition, the application, recommendations, biography essay and academic history are evaluated for completeness and eligibility. Some information is also extracted from the information you submitted on your Admissions Application so it is important that you keep your address and personal records updated at the Admissions Office in Holt 101.

Revised: September 1, 2006

San Joaquin Delta College - Scholarship Application 2007-2008

Diesel/Heavy Equipment Students

Scholarship Awards

In addition to reviewing your application, the goal of the Scholarship Committee is to award as many students as possible with a scholarship. As a result, those who may be selected for a scholarship will be given a \$3,000 award cap on scholarships selected by the Scholarship Committee.

Scholarships are awarded to recipients near the beginning of the summer semester and the funds are held until proof of enrollment is verified at the beginning of the fall semester. Scholarship funds for awards made by San Joaquin Delta College are deposited in trust funds, which show the name of the donor as well as the recipient.

San Joaquin Delta College has two obligations: 1) To the donor, to be sure that the money is used according to the wishes of the individual or organization providing the money; and 2) To the recipient, to provide the money when proper documentation shows that the student is entitled to these funds.

Donors expect that scholarship funds will be used for registration fees or tuition, books, housing, or other costs related to education.

The Diesel/Heavy Equipment Student Scholarships require that you must be enrolled in **at least 8 or more units** of study per semester in the Diesel, Heavy Equipment or Fluid Power Technology programs at San Joaquin Delta College to receive his or her scholarship.

The funds are made available each semester at the end of the third week of instruction to cover attendance at San Joaquin Delta College. Upon completion of necessary paperwork in the Office of Financial Aid, funds will be disbursed within five working days through the Student Accounts office. *It is San Joaquin Delta College Agriculture Foundation and Diesel/Heavy Equipment Foundation's policy to disburse one half of the total scholarship award each semester.*

If you have any questions, please contact Ken Pekarek at the Applied Science and Technology Division Office in Holt 140 or call (209) 954-5230.

The SJDC Scholarship documents should be returned to:
